

COMPASSION FOR THE HOMOSEXUALS

The ordination of gays as priests to serve on holy altars in the house of God (in some Churches) is a classified rebellion against God. I feel sorry for the children that will be raised under such guidance, for their future is almost certainly doomed. They cannot make a good nation nor can they build a good nation.

Ask these questions:

~ Which Gospel will they (gays) preach?

and

~ From which holy book?

But the case of the Transgenders is very different, for they have cutoff themselves from God.

Our creator is a loving and compassionate

Father. The Almighty loves His creation especially we human beings but He hates sin. God dislikes any acts of wickedness. Sin digs gullies between mankind and God.

As much as God loves mankind, He also hates mankind's sin. God can still bear a little long with liars, fornicators and the likes until they repent and return to Him. God cannot bear with nor tolerate the homosexuals. He detects homosexuals and homosexuality. But, as much as God cannot bear long with homosexuality, He still gives the homosexuals some grace time to repent and return to Him.

Oh You liars, fornicators, homosexuals and the likes, it is high time you repented of your evil ways, for God will not bear with you for long anymore.

But, alas! this other one God cannot tolerate at all nor does He apportion grace

to them any further once they cross a certain boundary. It is the Transgenders and the likes. The Transgenders have cutoff themselves from God's grace. They have departed from the canopy under which mankind obtain Salvation from God through the grace that was purchased with the blood of Christ Jesus. Therefore, God did not want to have anything to do with them (the Transgenders) any longer. They have booked for themselves a place in hell fire. Quite a pity.

Anyone planning to transform himself or herself to become a Transgender or the likes, is migrating from God's grace to automatically book a place for themselves in the everlasting burning lake of fire. Don't be carried away by fame, fortune and fancy or fantasy of the world.
